

WHISTLEBLOWER POLICY

1. OBJECTIVE OF THE POLICY

The objective of this Whistleblower Policy (the “Policy”) is to establish procedures for the receipt, retention and treatment of complaints received by Kenorland Minerals Ltd. (the “Company”) regarding accounting, internal accounting controls, auditing matters or fraud.

This Policy protects any individual who in good faith submits any complaint on a confidential and anonymous basis in accordance with the procedures set out below.

2. COMPLAINT PROCEDURE

The Company’s Code of Business Conduct and Ethics provides that an individual may report any concerns or complaints regarding accounting, internal accounting controls, audit-related matters or fraud to the Chair of the Audit Committee (the “Chair”) of the Board of Directors of the Company.

Any report received by the Company will be forwarded to the Chair and will be kept confidential. Concerns and/or complaints may be communicated anonymously if desired. If an alleged concern or complaint is reported anonymously, enough information about the incident or situation must be provided to allow the Chair to investigate properly. Anonymous reports can be made through Whistleblower Security Inc., an independent and confidential alternative reporting channel providing another mean to raise and report any complaints and/or wrongdoing using the following link: <https://www.integritycounts.ca/org/KenorlandMinerals>.

Following the receipt of any complaints submitted hereunder, the Chair shall promptly investigate each matter so reported. The Chair may enlist employees of the Company and/or outside legal, accounting or other advisors, as appropriate, to conduct any investigation of complaints regarding financial statement disclosures, accounting, internal accounting controls, auditing matters or other violations of the Company’s Code of Business Conduct and Ethics. In conducting any investigation, the Chair shall use reasonable efforts to protect the confidentiality and anonymity of the complainant. If appropriate, the Chair may take corrective and disciplinary actions, which may include, alone or in combination, a warning or letter of reprimand, demotion, loss of merit increase, bonus or stock options, suspension without pay or termination of employment or engagement. It is the obligation of all employees, officers and directors to cooperate with such investigations. The Chair shall retain as part of the records of the Audit Committee any such complaints or concerns for a period of no less than seven years.

3. NO RETALIATION

A submission under this Policy may be made by a director, officer, employee or consultant of the Company without fear of dismissal, disciplinary action or retaliation of any kind. The Company will not discharge, discipline, demote, suspend, threaten or in any manner discriminate against any person who reports in good faith a whistleblower issue or provides assistance to the Chair, management or any other person or group, including any governmental, regulatory or law enforcement body, investigating a whistleblower issue.

4. ACTING IN GOOD FAITH

In the event that the investigation reveals that the complaint was frivolously made or undertaken for improper motives or made in bad faith or without a reasonable and probable basis, that complainant's supervisor may take such disciplinary action as is appropriate in the circumstances.
